LATEST UPDATE

As we head into issue 51 of the Counter Attack, we have decided to have a make-over to freshen things up for our next 50 editions. Its been a BIG couple of months with AYC in Brisbane, the second half of the summer season starting and of course our FIRST EVER Club Championships. It takes a big community effort to get all these opportunities up off the ground and we wanted to give a big shout out to all our volunteers out there that play a pivotal role in making these events/competitions happen.

We recently announced the Water Polo ACT awards night will be making a splash in the coming weeks. This is a great opportunity to get your team together for a fun night at a wonderful location and celebrate all the great things about our community. We also encourage people to nominate those special members of our community who help to make things happen whether in a coaching, officiating or volunteering capacity.

Finally, as we head into the final stages of the Summer Season we wanted to remind everyone in our community to THINK.ACT.PLAY in the spirit of the game.

We are thrilled to extend a special invitation to you for the very first Water Polo ACT Awards Night, a night dedicated to celebrating the achievements and camaraderie within our incredible community.

Australian Country Championships

After accepting the associate membership application of the Canberra Kraken Water Polo Club into Water Polo ACT, both organisations will combine to coordinate the Australian Country Championships tour in 2024.

Canberra Kraken will take the lead on this venture particularly when it comes to selecting and preparing the team as well as tour coordination.

Expressions of Interest (EOI) are now open for players wishing to participate in the tour. Canberra Kraken intends to send both Mens and Womens teams to the championship and we encourage participation from not only ACT based players, but players from Wagga Wagga as well.

Dates: 8th - 11th May 2024 - competition dates
Location: Gold Coast, QLD

To get involved submit an EOI at the link below.

There are more events than ever for players to participate in. These opportunities come at both the club and WPACT level depending on the level. In short, WPACT will send teams to state vs state events while clubs are encouraged to send teams to club events.
