Some notes on using the account.

- The pricing you will see on the AST2023 Account is the full recommended retail price. The 15% discount will automatically be deducted at checkout.

- Your discount will not be recognised and can’t be used on the Zhik public website.
- The freight cost quoted at the end of your order is by AUS-Parcel Post. There is the option to upgrade this to Express Post for an additional charge at checkout.
- At checkout if you click ‘Pick Up’ this means you will personally come to the Zhik Warehouse in St Leonards, NSW to collect your order.
- Australian Sailing Association Members are eligible for “free freight” on orders totalling over \$50.
- All orders will be pre-paid in full when they are submitted online, payment is by Credit Card or PayPal.
